Hi Joanne

Apologies for the delay on coming back on this one. I have checked over the amended Travel Plan and am satisfied that the updates requested in my comments dated 25 July 2025 have been reflected in the Travel Plan

The Travel Plan itself and monitoring fee should be secured via s106 agreement. A condition is not required in addition to this as it would in effect be double securement.

Hi Katie,

I hope you are well.

I refer to your consultation response last month concerning the above application. In this you suggested amendments to the travel plan or that this could be updated via the S106 agreement which would secure the TP and monitoring fee.

Please find attached the updated travel plan. Please can you review and advise whether this addresses the points raised in your consultation. Is a condition also required for the TP as well the monitoring fee to be secured in the S106?

I look forward to hearing from you regarding this.

Kind regards

Joanne
