Reasons for comment:

Comments: Park centre has been the focal point of the communities well being and a place of diversity including special needs and local community groups and after school clubs for many years. I personally was going there during 80's and loved it . The upgrades are essential for bringing the Park centre into the limelight of community support and development.

This building was closed for many years and needs to be reopened in the form of a community building to rival any other in Sussex.

Remember this building is over 200 years old and donated to the people of Burgess Hill.

So people of Burgess Hill, get behind this fantastic opportunity to give the youth of this town and the numerous groups that are struggling to find suitable venues .

Park centre and Burgess Hill needs your support

Kind regards
