Reasons for comment:	
Comments:	Please do NOT approve of this application of '80' houses ruining and stealing more of our wonderful countryside, affecting our innocent wild life. It will start at 80, but won't end there. We do NOT need anymore housing developments in our town! Ameneties -Of all developments buiilt so far we have only had one new school built. No doctors surgerys which are needed. Also the area wanting to be built on, no busses serve that route and the a272 isnt the best road for pedestrians to be walking on, not enough street lighting, I walk it often, and at points it is pitch black.

I would not live there, too cut off and no shops or chemists in easy reach.

Kind regards
