Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We note that the extension element has been removed from the plans, to be replaced by a single story height pagoda. We still object to the gym being open 24 hours a day and being unstaffed for the reasons given previously - noise, fire safety and the impact on neighbouring residents' privacy and use of our gardens. The outdoor area should be closed at a reasonable hour. It would be useful for the plans to detail what the outdoor space will be used for, so neighbouring properties can comment on the application.

The plans to date give very little information or supporting evidence for the application to change the use of the property.

Kind regards
