Hello Sue

Yes, I confirm that the submitted scheme is accepted, and the kitchen extract/odour control condition is recommended for discharge.

Hi Nick,

I have received the attached following your comments which I believe you may have already seen/discussed with the applicant's consultant.

Can you let me know if you now have sufficient information to discharge the condition.

Thanks

Sue

Hi Sue,

Please find updated information attached addressing the EHO comments. I understand our engineers have been in contact with Nick Bennett to agree the proposed solution.

Regards
