Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to the location of item Location No. 5 for a post mounted directional sign close to the corner of Chapel Lane and Turners Hill Rd for the following reasons:- 1) The sign will interfere with the visibility when exiting Chapel Lane, especially at night if the sign is illuminated. 2) The sign will lead to confusion with the care home entrance and the entrance to Chapel Lane, leading to additional traffic on a private lane which serves 5 dwellings and is not of a tarmac construction.

3) The sign will not be in keeping with the character of a rural lane/ bridle path.

Kind regards
