

Vertical-sliding windows.
Taking all the finest points of the
traditional design, the **Veka
Matrix PVCu** version matches the
aesthetic appeal while offering
superior performance and
maintenance benefits.

VERTICAL SLIDER

Crafted with attention to detail, our vertical slider windows combine the functional benefits and performance of a modern PVCu window with the feel, appearance and operational simplicity of a traditional style window. The modern vertical slider not only emulates the aesthetics of its traditional equivalent, but also offers additional benefits such as the easy maintenance of PVCu.
