Hi Joe

I just wanted to confirm in writing as per our t/c conversation last week regarding security arrangements for the cycle stores, that each cycle store will be secured by a coded lock and residents will be provided with an access code to the specific cycle store that they have access to.

The management company will change this code on an annual basis to maintain security in the long term.

Regards

James

Good afternoon,

I hope you had a good Easter.

Please find attached a copy of WSCC Highways comments in relation to the cycle parking.

As you can see from these comments, they require some additional information.

This information can be emailed to me directly.

Kind regards
