Hi Hamish

I can confirm that the vendors and purchasers followed the correct process for the sale of this property and that an application to remove the ACV listing has been submitted as the attached emails.

I hope this is all you need for your records but please let me know if it is not .

Kind Regards

Jayne

Subject: Planning Application DM/25/0958 Former Methodist Church Hall 42 Cuckfield Road Hurstpierpoint BN6 9SA

Hello,

I have the above application for the conversion of the above building to 6 new dwellings. The site is an asset of community value, is there anyone available to have a call to discuss this as the agent for the application is advising 'The building was previously registered as an Asset of Community Value (on 16th February 2024) and the previous owners have undertaken the relevant process in order to dispose of the property including significant marketing to local community groups. The site is therefore no longer classed as an Asset of Community Value.'

Thank you,
Kind regards,

Hamish Evans
