Dear David

Thank you for your email and for the attached photographs.
I have sent these on to the MSDC Drainage Engineers for their consideration.

I hope that I will be able to make a recommendation for this application, pending their comments, before the agreed Extension of time date, which is 18.07.2025.

Hi Anna,

Here are two annotated photos which may help the MSDC Flood Risk Risk and Drainage Team visualise the ground layout at two of the key locations described in our Response to their comments on the FRA (Updated), which included site sections with levels, issued on friday 20 June.

Presumably you will forward them on.

Thank you.

David
