Reasons for comment:	
Comments:	After meeting the Cullum family at local shows and seeing Luca Cullum compete on a regular basis over the last 18 months, his riding has improved no end. He has the opportunity to progress and become a top rider in the showjumping sport.

However for this to happen, like any top rider he needs top facilities to help produce horses to the highest of standards and for him to train in all weathers and conditions the UK throw at us.

The proposed plans are symptomatic to the surrounding areas and work well within the local area.

Kind regards
