Burgess Hill, RH15 8RE

Andrew Horrell
Planning Officer
Mid Sussex District Council

Date: 28 August 2026

Reference: DM/26/1079

Dear Andrew,

We are submitting this statement in response to the email received (dated 26 August 2026) suggesting we provide an additional statement to accompany our application, regarding our proposal for Stonewick Lodge, Waringlid Lane, Waringlid, Haywards Heath, RH17 5TQ.

We would like the following to be considered with the application

1. Our proposal of a two-storey dwelling is not out of character.

The current dwelling is situated on a country road, with limited residential buildings. Therefore, there is no president on the street scene, however, our proposed design is sympathetic to the existing property and the surroundings.

2. Our proposal for additional boundary fencing is not out of character.

Our proposal is for fencing to separate the parameter of the land, and then on the outside substantial hedging will be added to soften the fence by the driveway and hedge on the inside. This will also add to the surrounding trees and countryside.

We have provided a selection of images of the location to support our statement below.

Regards
Christopher Jones
