Comments Details

Comments:	The Committee of 16th February would Recommend Refusal as it was felt the application contravenes:
	Mid Sussex District Plan DP26 – Character and Design due to being out of character for the local area.
	Mid Sussex Design Guide DG49 – General Principles for Extensions – as wraparound extensions can undermine the integrity of the original architecture.
	Concern was expressed about access to bins as there will no longer be a side access.

Kind regards
