Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The additional operating hours will cause more noise from the McDonalds users even earlier each day and later in the evening from the order booths and car and vehicle noise and it should also be noted that the adjustment to opening hours doesnt take into account that Mcdonalds staff will arrive before the opening time with additional light pollution to nearby residents from the restaurant opening in darker hours aswell as noise and on those

matters the additional opening hours should be declined in this application.

Kind regards
