Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposal will degrade and damage farmland, countryside and ancient woodland in an AONB, it gives locals no better access of environmental enhancement, in fact will likely have the opposite impact, and is a cynical move by the proposed developer of a nearby site to try to justify an unsustainable housing development in a landscape not suited to large-scale development

Kind regards
