Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>I think I clicked the wrong box! I support this application as per my previous comments, the plan looks sensible as long as parking is a consideration.</p> <p>I'd like confirmation of the blue outlined area though as we know what the plans are for this.</p> <p>I'm in support of the main plan though. Given housing is needed.</p>

Kind regards
