| Stance: | Customer made comments in support of the Planning Application |
| Reasons for comment: | |
| Comments: | <p>I see no reason to object, the plan looks sensible. as long as parking is a consideration so residents without drives are not impacted, I don't see any issue with this application.</p> <p>I would like clarification on the land in Blue outline though and confirmation on what this will be.</p> |

Kind regards
