Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I have already objected to this plan. I live in The Meadow and the parking and traffic are dangerous by the pub car park. Coming out of Meadow Approach onto the main road is stressful at the best of times. The junction onto Brookhill Road is often congested and add that to a block of apartments and a Tesco will only impact the danger of the traffic. We d not need another store in the village,

we already have 3. The dangerous parking and traffic must be taken into serious consideration.

Kind regards
