Dear Hamish.

Matter regarding 5 orchard close,scaynes hill.

I own a home just two doors away from this address,and am very worried about the people that will take residence there ?

I have been in this situation before at a flat I owned many years ago , and it was a very unpleasant experience with the people that it housed, so much so that residents took the matters into there own hands to deal with it.And as a dad now with childeeen that live there I don't want history repeating itself . These people do need a chance but it needs to be in a monitored environment...not a rural village miles away from help if needed.....

Kind regards
