Reasons for comment:	
Comments:	I would recommend this planning application be granted by Mid Sussex DC as the village really does require more shoppers' facilities. I have lived in the village since January 1971 when there was two grocers, a post office, bank, three butchers, a drapers shop, a fruit and vegetable shop, two newsagents, a hardware shop and three three public houses. Sadly, over the last three decades these have been depleted.

It is essential that small businesses in the villages under MSDC are given the opportunity to operate competitively and for the benefit of the local community.

Kind regards
