Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Malthouse Lane is already unsuitable for the heavy and constant flow of traffic it is subject to. The lane is often closed as a result of this overuse which causes problems for the feeder roads around the college. Allowing 24/7 industrial access will make the lane even more dangerous to use for horse, bicycle and pedestrian traffic. It is unlit and the speed limit is 60 mph which, especially at night,

some drivers feel the need to reach.

The council has a duty of care to ensure our roads are safe to use
and on these grounds we strongly object.

Kind regards
