Customer Details

Address: 12 HURST FARM ROAD East Grinstead

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will create additional traffic in Hurst Farm Road both during the construction and when completed. This is a residential road which has many sharp bends and short steep hills which restrict site lines for traffic and pedestrians. The Meads Primary School in Mill Way is close to the junction with Hurst Farm Road. Parents drop off and collect children around this junction and young children cross Hurst Farm Road. The

sharp bends and short steep hills restrict site lines and create a hazard to parents and young children crossing. Measures should be put in place to reduce speeds to 20 mph, by speed bumps, or speed platforms around this junction.

Kind regards
