

RH19 2RZ

Oak Tree – front of property adjacent to main road

reduce over extended section of top of tree by approximately 3-4m and reduce remaining height by 1.5-2m to maintain size and re-balance crown

reduce lowest lateral branches growing over lawn by 3-4m and reduce remaining width by 1.5-2m

remove lowest lateral branch growing over pavement on Lowdells Drive back to main trunk to lessen impact to pavement and improve light to understory hedge
