Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Further to the amended plans. Having studied the drawings, I am pleased that the bathroom window has been moved to the rear of the property. My only question is that it is unclear on the drawings what is meant by 'high level window'. There are no graphics showing this & no measurements. It does not state that this will be obscure glass.

Please can this be clarified.
Thank you

Kind regards
