| Comments:            | Purely based on the parking issues we have already.<br>Willow close is always stacked with cars including parking on the junction. Kennedy Avenue is also full. There just isn't room for anymore vehicles. There's no point coming down in the middle of the day during the week to look at this either as everyone is at work. Unfortunately I can't attach any photos. |

Kind regards
