TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015

REFUSAL

REFERENCE: DM/26/1146

DESCRIPTION: REPLACEMENT RADIO MAST AND ANTENNA

LOCATION: THE LYNNS, TURNERS HILL ROAD, CRAWLEY DOWN,
CRAWLEY

DECISION DATE: 17 SEP 2026

CASE OFFICER: JESSICA SZOLLOSI -
JESSICA.SZOLLOSI@MIDSUSSEX.GOV.UK

The Council hereby notify you that they **REFUSE** to permit the above development as shown in the submitted application and plans.

The reasons for the Council's decision are:-

1. The radio mast and antenna, located within a residential garden set within a verdant semi-rural setting, is considered to be an overbearing and dominant feature when both retracted and extended. The development would not be considered to respond to its context, integrate with or enhance its surrounding semi-rural landscape and the urban and industrial materials and architectural features would be considered incongruent with the surrounding village character and residential properties surrounding the site, resulting in unacceptable adverse effects contrary to policy DP3 of the NPPF, DP26 (design and character) of the Mid Sussex District Plan and Policy B1 of the Crawley Down Neighbourhood Plan.

INFORMATIVES

1. In accordance with Article 35 of the Town and Country Planning (General Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and determining the application within a timely manner, clearly setting out the reason(s) for refusal, thereby allowing the Applicant the opportunity to consider the harm caused and whether or not it can be remedied as part of a revised scheme. The Local Planning Authority is willing to provide pre-application advice and advise on the best course of action in respect of any future application for a revised development.
2. The development is unauthorised and enforcement action is considered expedient.

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).

- * If this decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*
- * If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*
