| Commenter Type: | Neighbour or general public |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | Who benefits beyond the bank balance of the absent applicant? More damage to the environment More pressure on burgeoning amenities More traffic increasing risks to young people walking to school. It simply doesn't sit inline with recent policy and hardly an alteration to existing. |

Kindly stop throwing up more and more houses regardless of impact.

Kind regards
