Comments Details

Comments:	The Town Council SUPPORTS this application. However, the Town Council also has concerns regarding the lack of parking provided by this proposal, particular the potential for overflow parking on Rocky Lane. In addition, the Town Council reiterates its concerns about the lack of affordable housing on site, but notes that this position is likely to have altered due to the size and aggregation of the development and the provision of a financial contribution by the developer via a Section 106 agreement.
