Reasons for comment:

Comments:	Please help. This is the third amendment to DM/25/2591 that I am aware of. I have already commented on why I believe this development should not be approved for multiple reasons. I am now confused as to what the plan actually is. Before I pass comment again please can I get a response to the following.

	In the latest documents received/uploaded on the planning site on 20th and 21st November it appears that the plan is now to use the existing entrance to Amberley Farm and to provide a wider bell-

mouth arrangement with a 4m kerbed radii. Is this correct ?

Kind regards
