**Reasons for comment:**

**Comments:** Dear Joanne [REDACTED] I live at 11 yewhurst close and received the planning letter today I tried to look at a plan of where the houses are as I've had on going issue with privacy from residents looking in my windows pretty much daily basis with has in turn affected my mental health to point I have black out curtains most the day not ideal but my reason for the message was to see how close the houses would be to mine and how over looked I'd be once the access had been put in as I've tried for years to get English rural to put some form of privacy screen up where would I be able to find the plans as the qr code shows nothing thank you. [REDACTED]

Kind regards
