Hi James,

I refer to the above application currently under consideration.

I note that the description of the application refers to the scheme which was allowed at appeal. However, as you are aware a S73 application has subsequently been approved which you will be implementing.

As such, I would suggest that the description of the application be amended to reflect the

permission which is to be implemented. I would therefore suggest the following revised description:

*'Discharge of condition 11 relating to planning reference **DM/24/2981**.'*

Please can you confirm that you agree to the above revised description.

Kind regards

Joanne
