Dear Rachel,

I have reviewed the Arboricultural Impact Assessment (AIA), Arboricultural Method Statement (AMS), Tree Constraints Plan (TCP), and Tree Protection Plan (TPP) for this proposal and have no objection. My only concern would be for the future pressure on the trees to the west of the proposal, but as these trees are already protected by TPO, this should suffice.

Please condition adherence to the AIA, AMS, and TPP.

Kind regards

Emma
