Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The infrastructure of Crawley Down cannot cope with the needs of the residents already living in the village, never mind the addition of several hundred more. The council must surely be aware of the

serious issues surrounding the already overwhelmed health centre and the pressures on the village school. The Turners Hill Road is busy, dangerous and fast. The 30 mph speed limit is routinely and brazenly ignored by cars and HGVs. New residents will not walk to the village because of this. They will drive. More cars, more pollution, more traffic noise.

Kind regards
