Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Our objection is based on parking issues. The on-street parking in Kennedy Avenue and Willow Close is already congested and a further property along with the associated parking needed would impact it further. The waste collection and service vehicles often have to negotiate difficult situations. If cars are parked on both sides of Kennedy Avenue we have difficulty backing onto, or driving off our drive and with a disability it is sometimes precarious.

Kind regards
