Dear Rachel,

The flood risk and drainage team have reviewed the information provided and have the following comments relating to conditions 6 and 8.

- To ensure that the drainage hierarchy has been followed, infiltration testing needs to be supplied.
- A copy of the site investigation report referred to within CTP's engineering layout A9307-1505 also needs to be provided.

Upon receipt of this additional information, we will be able to comment further.

Best Wishes
