Re DM/26/2054 - Two detached houses adjacent to the Prince Albert Copthorne

Dear sirs,

Please note my objections to the above development as follows:

Not in keeping with the surrounding area

Overpowering and too high

Dangerous access to near the Brookhill Road/Copthorne Bank junction.

Please note - Your planning portal is not working and one cannot submit comments in the normal way hence why I'm submitting my objections by email.

I hope this situation is rectified quickly as I'm sure many comments are now going to be missed

This e mail has been re submitted as requested to include my address

Thanks
