Reasons for comment:	
Comments:	I totally agree with this application by the Church. They generously support the Saint Hill Sports Club and Rugby Club by providing them, with additional parking for sporting events. This saves their visitors parking on Saint Hill Road, which makes it

dangerous for pedestrians, especially in winter.

Additionally, I know the Church's international gathering each year and other large events, brings a lot of much needed economy into our area. The Church also hosts lots of events for the local community, who attend family-friendly events, such as the Easter Egg Hunt, Bonfire Night, Christmas events, to name a few.

Kind regards
