

**Direct impacts are not permitted to waterbody 'P02'. However, due to the proximity of the development to 'P02', this pond has been treated as degraded for the purpose of this assessment.

*Waterbodies 'P03' and 'P04' will not be directly or indirectly impacted by the development (including but not limited to pollution from runoff, dust, debris etc. both during and after construction). These ponds will not be impacted by any increase in lighting both during and post construction.
