Hi Cathy,

This has come into the PIE inbox. Think it's a rep for DM/26/0248. I haven't acknowledged.

Appeal against planning Applicationn for the New Farhouse Stanford bn6 8pr

appeal

1 protest to large extension, the land is a metre higher than my land, building is higher then quoted on plans
2 a ditch runs 8.3 metres west filled with buildings rubbish from the New Farm House, and soil is pushing against my fence, large shrubs are cutting out light to my kitchen and bathroom.
sunlight, ancient lights, right to light making home damp and dark, cutting out warmth. Also Un neighbourbly

The new building maybe unsightly
Unfortunately the short time shown on the plans, and I am in Royal Sussex Hospitall , disabled, and old, leaves me unable to visit council offices to voice my complaint

The Hollies, Stonepound Road , Hassocks, BN6 8PR

Please help me to share my complaint.
Carol Bullimore.
