Dear Hamish,

The Flood Risk and Drainage Team have reviewed the information submitted in support of this application and can provide the following comments.

No information on the surface water or foul drainage has been submitted.

The Applicant should refer to the MSDC Flood Risk and Drainage Information Check List – Application Stage as attached and included in this link - <https://www.midsussex.gov.uk/planning-building/flood-risk-and-drainage-for-planning/> to meet the minimum requirements

Following receipt of the information requested, we shall review and provide further comments on this application.

Receipt of the requested additional information does not mean further information will not be requested, nor does it guarantee that the Flood Risk and Drainage Team will not object to the development. Neither does it prevent the team from recommending a flood risk or drainage condition.

Best Wishes
