Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application would put even more stress onto what are already busy roads through the village!
	It is already dangerous, too fast and having more people wanting to get to come to a Tesco would just increase further village traffic.
	What about parking? Then lorries/buses already struggle, could

you imagine the extra cars parked up round there?

We also have enough convenience shops in the village, do not need another one!

An additional drive/road onto Brook hill which is already dangerous would add further issues!

How about looking at traffic reducing measures in that area/Brookhill road instead?

Strongly object!

Kind regards
