Dear Helen and Jo

I also have no idea why Helen has received this consultation.

Thank you Jo for consulting EHO. That way Cassy Foster can comment on this proposed replacement dwelling, if she wishes.

Regards

Anna

Hi Helen and Anna,

How odd. I am not sure why you have been consulted Helen. I think this is obviously in error as it is not an affordable issue that I am aware of nor self-build looking at the forms. Unless Anna advises otherwise please disregard the consultation.

Anna – maybe Helen was done in error rather than EHO? I have looked at the consultee sheet, but nothing is marked on there. I have consulted EHO though just in case there is an issue.

Thanks

Jo

Dear Anna

I have received a consultation request for the above, but I don't think there is any Affordable Housing requirement arising. Please could you however advise if my understanding is not correct.

Also I was wondering if this is a self build dwelling and if so whether the necessary certifications in this regard have been obtained from the applicant or their agent.

Many thanks

Helen.
