Dear Mr Evans,

Subject: Application No: DM/26/1402

I wish to register my objection to the application by Naked Farm for a certificate of lawfulness in relation to its intended development of a slaughterhouse (Application Reference DM/26/1402).

I am extremely concerned that granting this application would prevent any proper public scrutiny and due diligence of the proposed plan for a slaughterhouse. The development of a slaughterhouse represents a material change in the use of the land from how it is presently used. I therefore invite the Council to reject the application so that there can be proper public scrutiny and the opportunity to register substantive objections should Naked Farm decide to apply for planning permission. Naturally, I will of course consider carefully any such application should it be made before deciding whether to object. However, I do require the Council to be aware at this stage that I strongly believe it is very important that I and others are given the opportunity to register any substantive objections we may have to the development of a slaughterhouse on this land.

Yours sincerely,
