Dear Sir or Madam

I want to register my objection to the application by Naked Farm for a certificate of lawfulness in relation to its intended development of a slaughterhouse (Application Reference DM/26/1402).

Granting this application would prevent any proper public scrutiny of the proposed plan for a slaughterhouse, the development of a slaughterhouse represents a material change in the use of the land from how it is presently used. Please reject the application so that there can be proper public scrutiny and the opportunity to register substantive objections should Naked Farm decide to apply for planning permission.

Kind regards,
