To whom it may concern,

I am writing as a long-standing resident of Ansty & Staplefield Parish to express my full support for planning application DM/26/0454 – Land Parcel At, Bolney Road, Ansty, West Sussex

The parish has a clear and ongoing need for well-designed 2 and 3 bedroom homes, particularly for young families and those wishing to remain close to their local support networks. At present, limited housing choice forces many residents to move away. This development would provide appropriately sized homes that genuinely reflect local demand.

The proposal represents a positive and sensitive addition to the area, strengthening the parish and helping maintain a balanced, sustainable community.

I therefore strongly support this application.
