Description of Proposed Works

Please describe the proposed works

Plans were submitted and passed in 2002 for a rear extension and replacement garage. The kitchen was completed but we were unable to complete the garage at the same time. We are now in a position to continue with the building of the garage and have been advised that we need to resubmit the plans. Our understanding was that the planning permission was still 'live' as the works had been started but no-one seems to be able to give us a definitive answer to this.
