Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Me and my husband object to more houses being built ESPECIALLY HMO!!!! There isnt enough school placements for children with massive waiting lists! My daughter was on tge waiting list for school for over 6 months! Getting GP appointment is already next to impossible so adding more people would be even worse. No HMO as with the rates of crimes shooting up and there

being a lot of young children and women on the estate it would make us all feel very scared.

Kind regards
