Dear Sir/Madam

Rowfant Mill Cottage Old Hollow Copthorne Crawley
Proposed rear ground floor extension, internal alterations, existing barn alterations and all associated works

I advise that your application DM/25/0295 was **Granted Permission** on **23rd January 2026**.

I enclose a copy of the Decision Notice in relation to the above application. If you are acting as an Agent please ensure that a copy is given to the applicant. **Please read the notes accompanying this decision notice carefully.**

Please also be advised that this permission does not constitute an approval under Building Regulations. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted.

Yours faithfully

Ann Biggs

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015

PERMISSION

REFERENCE: DM/25/0295

DESCRIPTION: PROPOSED REAR GROUND FLOOR EXTENSION, INTERNAL ALTERATIONS, EXISTING BARN ALTERATIONS AND ALL ASSOCIATED WORKS

LOCATION: ROWFANT MILL COTTAGE, OLD HOLLOW, COPTHORNE, CRAWLEY

DECISION DATE: 23 JAN 2026

CASE OFFICER: ANDREW WATT - ANDY.WATT@MIDSUSSEX.GOV.UK

The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2. **Approved Plans**

The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. Pre-commencement conditions

No development above ground floor slab level shall be carried out until a schedule of materials and finishes to be used for the external walls, fenestration and roofs of the proposed extension(s) have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details unless otherwise agreed in writing with the Local Planning Authority.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a development of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan.

4. No development above ground floor slab level shall commence until detailed drawings, at an appropriate large scale, including sections and annotated to show materials and finishes, have been submitted to and approved in writing by the Local Planning Authority showing the following:

- new windows and glazing
- new internal and external doors
- typical fascia/eaves detail to the extension
- rooflights to the extension
- new rainwater goods and other external pipework to be of painted metal.

The development shall not be carried out otherwise than in accordance with the approved details.

Reason: To ensure these aspects of the development are compatible with the design of the building and the character of the area and to accord with Policy DP26 of the Mid Sussex District Plan.

5. The ground floor, south-west facing window to the barn serving the playroom shall at all times be glazed with obscured glass fixed to be permanently non-opening, with such details to be submitted to and approved in writing by the Local Planning Authority prior to first use of the accommodation hereby approved.

Reason: To protect the amenities and privacy of the adjoining properties and to accord with Policy DP26 of the Mid Sussex District Plan.

6. The ground floor door to the south-west elevation of the barn shall at all times be fixed to be permanently non-opening, with such details to be submitted to and approved in writing by the Local Planning Authority prior to first use of the accommodation hereby approved.

Reason: To protect the amenities and privacy of the adjoining property and to accord with Policy DP26 of the Mid Sussex District Plan.

7. The accommodation hereby permitted shall be occupied solely for purposes incidental to the occupation and enjoyment of Rowfant Mill Cottage as a dwelling and shall not be used as a separate unit of accommodation.

Reason: The establishment of an additional independent unit of accommodation would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent dwellings and to accord with Policy DP26 of the Mid Sussex District Plan.

8. The development hereby permitted shall be carried out in accordance with the flood risk mitigation measures set out in the Flood Risk Assessment by Resi Design Ltd (January 2025).

Reason: To ensure that the proposal is satisfactorily drained and to accord with the NPPF requirements and Policy DP41 of the Mid Sussex District Plan.

Biodiversity Net Gain

1. This permission is considered to be one which **will not require the approval of a biodiversity gain plan before development is begun** because it is considered that one of the statutory exemptions or transitional arrangements is considered to apply.

Please see the information contained within the notes to applicants/agents set out below.

Informatives

1. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
2. You are advised that this planning permission requires compliance with a planning condition(s) **before development commences**. You are therefore advised to contact the case officer as soon as possible, or you can obtain further information from: <https://www.gov.uk/guidance/use-of-planning-conditions#discharging-and-modifying-conditions> (Fee of £43 will be payable per request). If you carry out works prior to a pre-development condition being discharged then a lawful start will not have been made and you will be liable to enforcement action.
3. Your attention is drawn to the requirements of the Environmental Protection Act 1990 with regard to your duty of care not to cause the neighbours of the site a nuisance.

Accordingly, you are requested that:

- Hours of construction/demolition on site are restricted only to: Mondays to Fridays 0800 - 1800 hrs, Saturdays 0900 - 1300 hrs, No construction/demolition work on Sundays or Public Holidays.
- Measures shall be implemented to prevent dust generated on site from crossing the site boundary during the demolition/construction phase of the development.
- No burning of materials shall take place on site at any time.

If you require any further information on these issues, please contact Environmental Protection on 01444 477292.

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

Plans Referred to in Consideration of this Application

The following plans and documents were considered when making the above decision:

Plan Type	Reference	Version	Submitted Date
Sections	BR-194463-5401	A	18.11.2025
Existing Block Plan	B194463-1000	A	05.02.2025
Proposed Block Plan	B194463-3000	A	05.02.2025
Location Plan	-	-	05.02.2025
Existing Floor Plans	B194463-1100	A	05.02.2025
Existing Elevations	B194463-1200	A	05.02.2025
Proposed Floor Plans	B194463-3100	D	18.11.2025
Proposed Elevations	B194463-3200	C	18.11.2025

Ann Biggs
Assistant Director Planning and Sustainable Economy

PEHOUZ

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.uk.

- * If this decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*
- * If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Mid Sussex District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition that apply in this instance

Development which is subject to a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

A “householder application” means an application for planning permission for development for an existing dwellinghouse, or development within a curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application to change the number of dwellings in a building.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission (“the earlier Biodiversity Gain Plan”) there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

The effect of Paragraph 19 of Schedule 7A to the Town and Country Planning Act 1990

If the permission which has been granted has the effect of requiring or permitting the development to proceed in phases, the modifications in respect of the biodiversity gain condition which are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024 apply.

In summary: Biodiversity gain plans are required to be submitted to, and approved by, the planning authority before development may be begun (the overall plan), and before each phase of development may be begun (phase plans).

Purchase Notices

If either the Local Planning Authority or Secretary of States refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
