

FAO: Planning Department,
Mid Sussex District Council

Application ref: DM/25/1868
Date: 11 August 2025

ARCHAEOLOGICAL ADVICE

RE: 50 Hurst Road, Hassocks

The application is for Proposed tennis court to rear garden.

The proposed development has the potential to impact on archaeological remains, primarily those related to Roman settlement at Hassocks.

It has been confirmed to me that the fieldwork element of an archaeological investigation has been completed, in accordance with an approved Written Scheme of Investigation associated with the previous application.

Accordingly, all that remains is the submission and approval of an appropriate report detailing the results of the archaeological work.

Given this, I recommend the following condition is attached to any consent, in accordance with the National Planning Policy Framework, paragraph 218 and Mid Sussex District Plan policy D34:

RECOMMENDATION: Archaeological report

The applicant will submit a final archaeological report or (if appropriate) a Post Excavation Assessment report and/or an Updated Project Design for approval by the Local Planning Authority. This shall be submitted within 6 months of the date of completion of the archaeological fieldwork unless otherwise agreed in advance by the Local Planning Authority.
