Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I would be in favour of the removal of this tree. It is in very close proximity to my bungalow and in particular, my bedroom. It leans towards my bedroom which worries me very time there are strong winds. Debris from the tree falls onto my roof and I am concerned that it is dangerous. I would be relieved if it is removed.

Kind regards
